Primary Author understands that he/she has the option of having each Contributor sign a separate copy of this Agreement by contacting the Editorial Office for a version of this Agreement to be signed by each Contributor and returned directly to the Editorial Office. The author(s) agree that:

1. All contributions to the Paper are the Author's own original work.
2. Each Author assigns all copyright in the Paper to HFES.
3. Each Author will have the following rights:
 - (a) All other contributed proprietary rights, including patent rights, that may be embodied in the Paper.

Employer Signature & Date (if applicable)

1. "Employer" refers to the entity, if any, that employs an Author. A Paper written by an employee within the scope of employment is a "work for hire" and owned by the Employer. In that case, both the Author and the Employer **must** sign this form. **Check with the Employer to determine if its approval is required.**

2. Under the Federal Copyright Act, copyright protection is not available for any "work of the United States Government" (see 17 U.S.C. Sec. 105). All other works are subject to the requirements of this form. A "work of the United States Government" is a work prepared by an officer or employee of the United States government as part of that person's official duties (17 U.S.C. Sec. 101). If this is the case, items 1–5 above do not apply, BUT items 7–9 do apply

NOTE TO PRIMARY AUTHOR: If you are a U.S. government employee, OR you are not a government employee BUT 100% of your Paper was produced with U.S. government funding support, please check here and sign below. Please only complete this section if it is applicable.
